Core Competencies

Howse Solutions is your technology partner providing government, construction, healthcare, education and enterprise clients with “best-in-class” customer service, managed solutions, and technology training.

As a strategic partner and value-added reseller, we resolve your complex issues and organizational challenges by leveraging technology solutions that reduce client costs, minimize risks and optimize productivity.

We are proud to have added a few services as it relates to COVID-19 and the new telecommuting workforce and managing remote teams.

Previous Clients

- The State of Ohio
- Cleveland Metropolitan School District
- Richmond Hts. School District
- The City of Cleveland
- The AKA Team
- Next Generation Construction
- CEOGC (HeadStart)
- The Greater Cleveland Urban League
