RFPs/RFQs: Professional Landscape Architectural / Engineering / Community Engagement Services for Calgary and Neff Parks Public Improvements

Title:
Professional Landscape Architectural / Engineering / Community Engagement Services for Calgary and Neff Parks Public Improvements
Description:
The City of Cleveland's Division of Architecture and Site Development (DASD), through the Mayor's Office of Capital Projects (MOCAP), is soliciting proposals for Professional Landscape Architectural / Engineering / Community Engagement Services for Public Improvements at Calgary and Neff Parks. These improvements shall consist of renovations and alterations to the existing facilities in order to provide upgraded facilities for the community. The Division will evaluate proposals received and plans to select one consultant team for this project. See full RFP and Exhibits for complete information.
