We are proud to be an Equal Employment Opportunity and Affirmative Action employer, including females, minorities, protected Veterans, and those with disabilities.

CAPABILITY STATEMENT

Recognized as one of Northeast Ohio's leading firms delivering comprehensive construction expertise for over 25 years, McTech Corp. is committed to providing cost effective general contracting and construction management services in an ethically, socially, and environmentally responsible manner where its reputation is forged by the quality of its services and products.

SCOPE OF SERVICES

Construction Management – Proven track record as a construction manager for fee on large federal construction projects, office building projects, hospital system projects, sporting arena projects and other complex construction projects.

Managed over **\$3 billion** in projects.

Valued member of construction management teams through an integrated project delivery (IPD) method or any other approach as a percentage fee partner.

Concrete Flatwork – Ability to combine concrete supply services with concrete flatwork installation that sets us apart from the competition.

Construction Clean-Up and Demobilization Services – Trained personnel to assist owners in daily clean-up and demobilization efforts.

STAFFING CAPABILITIES

McTech operates as a **union contractor** and employs 60+ personnel.

Staff includes Engineers, Estimators, Safety Directors, Human Resources Managers, a Utilities Coordinator, Controllers, Project Accountants, a Quantities Technician, and a staff of seasoned Administrators.
