

Ozanne Construction Company

FIRM OVERVIEW

Ozanne Construction company, founded in 1956 in Cleveland, Ohio, is a multi-disciplinary construction management company doing business throughout the Midwestern and Southern United States. On an annual basis Ozanne averages over \$60 million in work on hand and over \$100 million as agency construction and program manager. We have successfully worked for some of our nation's most respected and demanding owners including the United States Department of Justice, Federal Bureau of Prisons, United States Air Force Construction Management Division, Army Corps of Engineers, and the General Services Administration. Specialty areas include aviation, healthcare, housing, correctional, and government contracts.
